

ECC PRODUCT ANNOUNCEMENT

Product Type:	Core Product
Product Name:	Acute Stroke Online
Course Name:	Acute Stroke Online
Product Number:	90-1425
ISBN:	978-1-61669-317-6
Replaces AHA Product?	Yes. This product supersedes AHA product #80-1480 (Acute Stroke Online).
Product Retail Price:	\$24.95
Product Market:	Healthcare
Ordering Information:	Order from AHA Distributors or OnlineAHA.org
Date Available:	January 23, 2013

Product Description:

Acute Stroke Online has been updated to reflect science from the *2010 AHA Guidelines for CPR & ECC*.

This web-based, interactive course provides training on the symptoms, diagnosis and management of ischemic and hemorrhagic stroke and complications of stroke. Course content is based on information from the AHA's *ACLS EP Manual and Resource Text*, covering treatment from the field to the emergency department, as well as critical care and rehabilitation. This text has been adapted to an independent study activity to make this resource available to a wider audience of health professionals.

Acute Stroke Online meets Joint Commission requirements. No skills session is required to complete this course. Upon successful completion, students will receive a certificate of completion and will be eligible to apply for continuing education credits.

Product Specifications:

Following are specifications for Acute Stroke Online:

Course content:

- Stroke Chain of Survival
- 8 D's of stroke care
- Definitions of ischemic and hemorrhagic stroke
- Pathophysiology
- Stroke risk factors, recognition and management
- Transition to critical care and rehabilitation

Course includes:

- 10 interactive checkpoint exercises with review questions
- Online exam to test cognitive knowledge
- Certificate of completion available to print upon successful completion
- Access to course content for 12 months following activation of course key

Intended Audience:

Geared toward the experienced healthcare provider, this course is ideal for in-hospital, out-of-hospital and any healthcare provider who wants to improve his or her knowledge of stroke treatment.

Continuing Education Information:

Continuing Medical Education Accreditation - Physicians

The American Heart Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Heart Association designates this enduring material for a maximum of 1.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Medical Education Accreditation – Physician Assistants

AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 1.50 hours of Category I credit for completing this program.

Continuing Education Accreditation - Nurses

The American Heart Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The maximum number of hours awarded for this CE activity is 1.50 contact hours.

Continuing Education Accreditation – Emergency Medical Services

This continuing education activity is approved by the American Heart Association, an organization accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS), for 1.50 Advanced CEHs, activity number 13-AMHA-F3-0172.
